

DANIEL ALVAREZ URBINA

UX/UI & WEB DESIGNER

Toronto, ON | 437-313-1675 | danielalvarez1204@outlook.es | [LinkedIn](#) | [Portfolio](#) | [GitHub](#)

PROFESSIONAL SUMMARY

UX/UI and web designer with an Ontario College Diploma in Interactive Media Design (Honours) and hands-on experience across Figma, WordPress, HTML/CSS, Adobe Creative Suite, and digital content. Rebuilt and delivered a healthcare clinic website in under two weeks and developed end-to-end UX/UI case studies from research and user flows through wireframes and high-fidelity prototypes. Bilingual in English and Spanish.

TECHNICAL SKILLS

UX/UI: Figma, Adobe XD, UX Research, Wireframing, Prototyping, User Flows, Journey Mapping, Information Architecture, Responsive Design

Web: WordPress, HTML, CSS, GitHub, VS Code, CMS Content Management

Visual & Content: Photoshop, Illustrator, After Effects, Premiere Pro, Miro, Branding, Photography, Video Editing, Digital Content

RELEVANT EXPERIENCE

Freelance Web Designer & WordPress Developer | Just Walk-In Clinic | Toronto, ON | Sep 2025 - Oct 2025

- Rebuilt and delivered the clinic's WordPress website in under two weeks from an existing site and client requirements.
- Improved page layouts, navigation, content structure, and responsive presentation across desktop and mobile; continued supporting content and maintenance updates after delivery.

Digital Content Creator & Graphic Designer | Mezcalero Restaurant & Bar | Toronto, ON | Feb 2026 - Sep 2026

- Created branded graphics, photography, video, Reels, and Stories for events, seasonal campaigns, menu items, and promotional offers.
- Edited visual content for digital platforms and translated marketing ideas into platform-ready assets while maintaining brand consistency.

SELECTED PROJECTS

Smart Health Collar - UX/UI & App Design | *Figma*

- Designed a mobile health-monitoring experience for a wearable device, including pairing, dashboard, sleep/activity data views, settings, and support flows.

DSST Cleaning Service - UX/UI Case Study | *Adobe XD, WordPress*

- Conducted research and competitor review, then created a sitemap/user journey, low-fidelity wireframes, and a high-fidelity prototype for a service-discovery and booking experience.

Three Star Media - Responsive Web Development | *HTML, CSS, GitHub*

- Designed and built a responsive multi-page website with clear navigation, service and contact flows, and reusable front-end structure.

EDUCATION

Algonquin College of Applied Arts and Technology | Ontario College Diploma, Interactive Media Design - Honours | 2025

Dean's Honour List: Winter 2024, Spring 2024, Winter 2025

ADDITIONAL EXPERIENCE

Keyholder (promoted from Sales Associate) | Psycho Bunny | Toronto, ON | Apr 2025 - Present

- Lead daily floor operations, coach team members, and monitor sales KPIs including conversion, ADS, UPT, traffic, and daily goals.

Freelance Research Assistant | Synopsis | Bogota, Colombia | Jan 2023 - Oct 2023

- Analyzed market research data and created clear client-facing reports and charts to support research deliverables.
